

Do you have a complete view of
your dealership finances...
...on a daily basis?

Auto Industry Professionals who speak your language!

Diversified Dealer Services was established in 1996 by auto industry professionals who realized there was a better way to provide dealership system support and services. We are now serving over 450 Dealers nationwide, with timely,

professional, and superior personal assistance with their DMS support needs. As a Reynolds and Reynolds Certified Vendor you can trust that we understand your systems and keep your DMS data secure.

DDS delivers Dealership solutions that include:

DOCVision

Web-based financial analysis and report suite tool that provides you with integrated reporting on the performance of your dealership, set up the way YOU want.

Generate automated daily reports that can be distributed to your team via email. See your reports from anywhere on the Web via our secure server access.

F&I to Accounting Integration

On-site customization of your F&I and Accounting screens to meet your specific operational and back-office needs. Matched deal calculations for Accounting and F&I eliminates month end deal discrepancies. Speeds deal posting process while increasing accuracy of deal data.

F&I Form Programming & Support

Save time and money. Dealer specific forms only \$95.00 vs. \$740.00 from Reynolds. Keep your F&I system clean and up to date to eliminate calculation and print errors as well as reducing funding delays. Annual Forms Maintenance Contract available.

Custom Reports & DOC's

Including Automated Florida DR-15 Sales Tax Report, ERALink Queries, and more.
Have your DOC (0422) and any other reports in the format you want.

DOCVision F&I Log Generator

Reports that provide accurate profit detail for every deal. Uncovers deal errors. Shows reversals and adjustments from accounting so F&I reports are accurate to the DOC.
